MEMBERS OF THE MEDIA

The Department of Athletics would like to take this opportunity to thank those members of the media who over the years have covered Buckeye volleyball. We have enjoyed working with you and look forward to doing so again during the 2011 season. This media guide has been prepared to assist you in your coverage of the Buckeyes. Every effort has been made to ensure both its accurateness and its thoroughness. Hopefully, this publication will allow you to glean more information about all aspects of the Ohio State volleyball program and The Ohio State University. This publication also contains important information relative to interviews with Ohio State players and coaches, as well as instructions for applying for credentials. Any questions in either area should be directed to D.C. Koehl at 614-292-4506 or koehl.1@osu.edu. Again, thank you for your coverage of Ohio State's 36 varsity teams.

CREDENTIAL REQUESTS

In order to qualify for a credential, an applicant must represent the recognized news organization requesting credentials. Please direct all credential requests to D.C. Koehl, assistant athletics communications director. Requests should be made in writing and on company letterhead and can be faxed to 614-292-8547 or e-mailed to koehl.1@osu.edu. Confirmation of your request will be made upon receipt. Credentials are for adult use only and are non-transferrable.

CREDENTIAL PICK-UP

Credentials may be picked up in the Athletics Communications office on the 6th floor of the Fawcett Center prior to the match. All remaining credentials will be placed at the media pass gate and will be available one hour prior to the beginning of the match. The media pass gate is located at the middle set of doors on the west side of St. John Arena in the walkway between the French Field House and St. John Arena. Proper identification is required to obtain credentials and they are not transferrable.

ST. JOHN ARENA PRESS ROW

Press seating in St. John Arena will be provided as needed. Tables will be placed in the south bleachers to accommodate the media needs with regards to print and radio. Visiting radio will be located in the south bleachers toward the west aisle behind the visiting team bench. Broadcast television will be set up in the north bleachers where cable run access is available to the northeast corner of St. John Arena.

PHONE LINES

Those members of the media wishing to order their own phone line can do so by calling University Phone Services at 614-292-8648.

PHOTOGRAPHERS

Photo credentials are issued to daily newspapers, wire services and special periodical publications. No flash photography is permitted and strobe use must be approved in advance. Photographers are required to stay behind the basketball outer court boundary on the north side and must be at the bleachers on the ends of the court. Please be alert as the entire court, up to the bleachers, is in the field of play.

COACHING STAFF INTERVIEWS

Head coach Geoff Carlston and his staff can best be reached during the morning hours, when in town, in the women's volleyball office at (614) 292-5382.

HEAD COACH GEOFF CARLSTON

Geoff Carlston is in his fourth year as head coach of Ohio State. He was named the head coach of the Ohio State women's volleyball program Feb. 5, 2008 and is the fifth head coach of the Buckeyes in the 40-year history of the program.

Last season the Buckeyes were 24-12 overall and finished sixth in the Big Ten Conference with a 10-10 mark. OSU was an at-large selection to the NCAA Championship defeating Lipscomb 3-1 in the first round and Dayton, 3-2 in the second round. The Buckeye lost 3-1 to Stanford in the regional semifinals. During the summer of 2011, Carlston served as head coach of one of the USA A-2 squads that played at the USA Volleyball Open National Championships Women's Open finishing second.

In his second year at Ohio State, Carlston guided the Buckeyes to a 25-10 overall record and 12-8 Big Ten record finishing tied for fourth in the conference. The squad returned to the NCAA Championship as an at-large selection and hosted first and second round matches. The Buckeyes defeated Cincinnati, 3-1, in the first round and fell to No. 10 California, 3-1, in the second round. The 2009 season was a step up from his first year at Ohio State, finishing with a 12-20 overall record and finishing 10th in the Big Ten with a 3-17 mark.

Carlston came to Ohio State after spending five years as head coach of Ohio University where he built an outstanding program. His squads played in five NCAA tournaments, reaching regional play in 2005. At Ohio, Carlston guided the Bobcats to five consecutive Mid-American Conference championships with an overall record of 144-22. He had a MAC conference record of 78-2 and was 14-1 in the conference tournament, winning four of five. In 2007, Ohio was 26-6 overall and had a conference record of 15-1.

Under Carlston, four Bobcats have received AVCA All-America Honorable Mention honors. Four were named the MAC Player of the Year, two were the MAC Freshman of the Year and 25 were named MAC All-Conference.

He was named the MAC Coach of the Year four times and was twice named the Mideast Region Coach of the Year.

Prior to Ohio, Carlston posted a 49-42 record in three seasons at the helm of the Concordia University-St. Paul (Minn.) program. He took the Golden Bears from a 0-18 mark in the Northern Sun Intercollegiate Conference the season before his arrival to a serious run at the league title in 2002.

CUSP finished the 2002 campaign with a 24-9 record - its best in Division II competition - and earned its first national ranking during the season. Carlson recruited three consecutive NSIC Freshman of the Year selections to play for the Golden Bears and had five players named all-conference (three first-team, two second-team) in 2002.

In the summer of 2002, Carlston served as coach of a Division II all-star team that played in a tournament in Holland. Competing against the top Dutch college and professional league teams, the group won gold and bronze medals.

Before Concordia, Carlston served two seasons as a student assistant coach at Minnesota while completing a master's degree in social work. During that year, the Gophers compiled a 27-9 record and advanced to the "Sweet 16" of the NCAA tournament.

Carlston began his coaching career in 1994 as head coach at Hopkins High School. In his two-year tenure, his teams went 41-17 and captured the Classic Lake Conference title both seasons. He left the high school ranks for two years of service in Belize as a Peace Corps volunteer but stayed close to the sport, serving as head coach of the Belize women's national team and as

an assistant for the men's national team. He helped develop a year-round training program and the team finished fourth at the 1997 Central America championship, earning the country's first international victories.

Upon his return to the United States, Carlston became head coach of the 17's team of the Minnesota One Junior Olympics club, which competed in the 17 Open Division at USA Nationals three consecutive years under his direction.

ST. JOHN ARENA RECORDS

THE HOME OF OHIO STATE VOLLEYBALL

Completed in November of 1956 at a cost of less than \$4 million, St. John Arena, a 13,276-seat structure, is named for former OSU athletics director and basketball coach L.W. St. John.

The Ohio State women's volleyball team began playing its entire home schedule in St. John Arena in 1986. Prior to that season, the Buckeyes played the majority of their matches in Larkins Hall. Since 1986, OSU has a 256-106 (.707) record on the Arena floor.

For 10 of the last 17 years, OSU has been selected to host a first or second round match in the women's NCAA tournament. St. John Arena also has hosted the men's NCAA Volleyball Championship in 1978, 1983, 1997 and 2007.

With the opening of the Schottenstein Center as the new home of basketball and men's hockey, volleyball, along with gymnastics and wrestling, will take center stage in St. John Arena. This includes a repainted arena floor for volleyball.

Prior to the start of the 1987-88 season, a \$1.2 million scoreboard, featuring the latest in computer graphics, was installed. At the same time, new corner scoreboards and a new lighting system were added. With the most distant seat only 155 feet from the center circle and no posts or obstructions to block the sight lines, St. John Arena remains one of best settings in the nation for college athletics.
